The newsletter of the Black hills Mopars

Edition 2007, Issue 3

May/June

Martha's Moments

This issue is coming ahead of schedule to help me have a little more time in June to get ready to do the last minute things for the show. It may be a little short, but it's just as good! I can't believe the show is only a month away. Time flies when there is so much to do...the usual spring cleaning, the yard work, graduations, weddings, family reunions, drag racing, car shows, swap meets...you get the picture. You think that each year you'll try to do less so you don't get soooo tired but we try to do everything so as not to let anyone down and still have fun.

So if you're like us...hold on to your hat...it's going to be a great ride!

Until next time...Mopar to Ya!!

Martha

Be in the Buff!!!

Now that I have your attention...After the May meeting, which is May 19th at Flags and Wheels, you are invited to Rapid Collision for a Car Buffing Class. Jim Marotz, a new club member and owner of Rapid Collision, has volunteered to show us how he professionally buffs cars and give us hints to make our cars shine for the Mopars in the Hills Car Show.

We will head over after the meeting, between 8-8:30pm. If you can not make the meeting but want to come to the Buffing Party meet us at Rapid Collision. It is located on South Highway 79, on the east side of the highway, just past the light at Fairmont. For those of you who know your paint stores it is next to Diversified Paints. Any questions call 787-5695 or Martha's cell 391-8784. Hope to see you there!!

June Meeting Info

The June meeting date has been moved to **Thursday, June 14th** at Flags and Wheels. The date needed to be changed because several of the members and officers were going to be out of town on the 16th. This meeting is one week before the Mopars in the Hills Car show and is needed to get the last minute details ironed out. Please attend as we need each of our members to help in some way to make the show a success.

Mopars in the Hills Car Show Update

The bigger details of the show are coming together, not as quickly as we would have liked it, but it is coming together. The T-shirt design is done and has been forwarded to the trophy shop to use in the dash plaques, major Mopar magazines have the date and info of the show published, flyers are being hung in parts stores, Dodge Town is getting advertising set-up, and door prizes are being collected.

We are still in need of door prizes to give to the participants of the show, not only to our members who attend, but to the many non-members who come to our show. This is a way of showing everyone that our club and community are glad they came. So please help us out.

The T-shirts for this year will be ash gray in color and feature the Mopar insignias through the years around the current "M" insignia and a checkered flag in the background. It is a neat design and will look good on the gray shirt. The cost to purchase a shirt will be \$15 at the show. They may be available before, but if I say that, there will be a delay!! Murphy's Law!!!

Friday Night Picnic

As in years past, we will have a picnic to kick off the Mopars in the Hills Car Show on the Friday night before the show, Friday, June 22nd at 6:00pm at Canyon Lake Park. We will provide chicken, pop, and eating utensils. You need to provide a salad or dessert or both to share. Also bring chairs as sometimes there are not enough tables to seat everyone. Afterwards, we can cruise through town to promote MOPARS!!!

If you have any questions, please contact an officer.
