Mopar Club Birthday/X-mas Party!

By Scott Rudge

The Black Hills Mopar Club celebrated another birthday in January at the AFLCIO on St. Patrick Street in Rapid City. Stories were swapped, food was consumed, and officers were elected in for 2010. Returning for another term as President is Scott Rudge. Also returning for another term as Secretary/Treasurer is Bryan Sharp. A very close race for Vice President saw Jeremy Farr oust incumbent Ed Metz by just one vote. Thanks to everyone who participated in the elections, and lets make 2010 another great year for our club.

Once the official business was taken care of, it was time to fire up the gift exchange. Lots of nifty Mopar die cast traded hands as usual. The Brokeback Mountain DVD made a re-appearance, and a rather interesting beer dispenser found a home. It was another fun night for the Black Hills Mopar Club.

Counts of the Cobblestones Car Show

By Scott Rudge

The 11th annual Counts Car Show was held at the Rushmore Plaza Civic Center on March 5th, 6th, and 7th. The club had its usual 7 spots along the back wall, and there was some great Mopar muscle on display this year. I would like to thank everyone that participated this year for setting aside time for show setup, tear down, and door watching duty. The Black Hills Mopars lineup was a good one. Pictures of the show are posted on the website. The Lineup:

Bob Watkin's	- 1965 Dodge Coronet Wagon	- 1 st Place Muscle Wagon
The Getty's	- 1966 Dodge Charger	- 4 th Place Pre '67 Custom Muscle
Jason Lind's	- 1969 Dodge Charger	- 3 rd Place '67-'69 Modified Muscle
Buddy Belzer's	- 1969 Plymouth Roadrunner	- 3 rd Place '69-'70 Restored Muscle
Juan Paz's	- 1970 Dodge Challenger	- 4 th Place '70-'79 Custom Muscle
Chico McNeil's	- 1972 Plymouth Satellite	- 3 rd Place '70-'79 Custom Muscle
Mike Cartwright's	- 1977 Plymouth Roadrunner	- 1 st Place '72-'77 Restored Muscle

Congratulations and thanks to all that participated and helped out with this year's show!

Mike Cartwright's 1977 Plymouth Roadrunner

Mike picked up this sweet ride back in 2004 in St. Onge, South Dakota. It had been a victim of a large animal collision, so the passenger fender and the hood were a bit mangled. The driver's door also had some light damage. The paint was a little faded, but the interior was in excellent shape. It was a two fender tag car and came equipped with the Super Pack Option. The Super Pack Option included the front spoiler, the fender flares, and the deck lid spoiler. Mike spent the next 2 years restoring this piece of Mopar history to its former glory. He replaced the fender, the hood, and the driver's door from a parts car he acquired. Originally a 318 ci / 904 auto / 8 ¼ rear end car, it has been upgraded to a 360 with W2 heads and an 8 ¾ Sure Grip with 3.91 gears. When all the pieces were in place, he had a fresh coat of paint laid on. The car was completed just 2 days before the 1st Annual Liberty Fall Fling Car show in September of 2006. Since completing the restoration, Mike enjoys driving his Roadrunner about 2000 miles each year. Thanks Mike for sharing your ride!

Dwayne Jager 1941-2010

By Jeremy Farr

For those who don't already know, Black Hills Mopars lost one of its long time members last month. Dwayne Jager passed away February 14th at his home in Rapid City. Dwayne most recently worked for Liberty Chrysler Center until his retirement last year. He will always be remembered as a great person and a true Mopar guy to the people who knew him.

We are thinking of doing something in his honor, so if you have any suggestions, please let one of the officers know.

His obituary can be pulled up on the Rapid City Journal website. They keep the local obituaries online for 1 year.
